*we serve you first*

## **About Us**

*Established in 2007 by experienced group of professionals, today our organization stands for its reliability and commitment in the container line services.*

*“Providing cost effective Logistics services with dedication and transparency” is the core objective of the company.*

## **Journey So far**

*From the very inception of the company, MGR Line has been very successful in winning the trust of its customers. Providing Professional, transparent and customer centric service has been its winning strategy. And the result - MGR Line is now operating with over two thousand containers, with own branches at 5 prime locations and strategic partners at 18 locations across SE Asia.*

## **Choosing MGR Line**

*Choosing a correct business partner is very critical especially in these times of sinuously changing market conditions. At MGR Line we believe in sailing with customers in both their thick and thin, thus creating a win – win situation on a long run.*
